Summer 2021

## THANK YOU TO ALL OUR RESIDENTS

**Jill and I were humbled and honoured to be elected as your representatives for Brownsover in the recent local elections. We are, of course, already working together.**

I know I can lead the charge for improvements across Newbold and Brownsover at Rugby Borough Council and Jill is continuing her discussions and work for Brownsover at Warwickshire County Council.

As Conservative councillors in Conservative-led administrations, we know we can represent all our residents, and get changes and improvements.

This is an important time as

we come out of the pandemic.

I have spent time getting to know all the key officers, as well as having discussions with the cabinet members and have already started lobbying for improvements.

If you have any concerns or issues around the area, please get in touch with either of us via the contact details overleaf.

### GLARAMARA PLAY AREA IMPROVEMENTS

**The consultation for the Glaramara Play area in Brownsover closed on August 11th.**

Wayne is already talking to Rugby Borough Council officers and the Cabinet Member for the Parks Team, to make sure residents' views are taken into account and any changes are then made.

It is vital that the children in the community get a play area they want

Parks across Rugby are being re-vamped

to use, and these consultations have worked well elsewhere, where the children are able to engage and put their views forward.

### COFFEE WITH COPS

In association with Rugby Neighbourhood Watch and our Safer Neighbourhood Team at Warwickshire Police, Wayne is arranging local community engagement sessions.

The first few will be located in the Neighbourhood Watch trailer on Elliott's Field retail park, near Cafe Nero.

This gives you the opportunity to speak to the police and get updates.

Updates will also be provided on Facebook Community Group pages or you could email Wayne, via the contact details overleaf.

## MARK PAWSEY MP

**According to the House of Commons Library 83% of people living in the Rugby constituency live more than a 15-minute drive from an A&E department.**

This is due to the downgrading of the A&E department at the Hospital of St Cross in the late 1990s.

Since being elected as the town's MP in 2010, Mark has been firm that as Rugby grows, the case for the restoration of

A&E at St Cross has grown too.

Mark is now asking for the support of Rugby residents to build a case for the return of A&E in Rugby. He is hoping residents will complete his online survey on healthcare and emergency care at St Cross which can be found at [www.markpawsey.org.uk/form/stx](http://www.markpawsey.org.uk/form/stx)

## PHILIP SECCOMBE: POLICE AND CRIME COMMISSIONER

**As the lockdown restrictions are lifted, the expectation is that the pressures on local police officers in Rugby will return to the levels seen prior to the pandemic.**

In July I spent time meeting Mark Pawsey MP, teams in the Police Station and visiting Futures Unlocked and the On Track Youth Project in Brownsover.

I will be conducting more engagements in Rugby over the coming months and I look forward to hearing from you on how we can make your area safer in the future.

## News **SNIPPETS**

### BUS SERVICE TO NEW HOULTON SCHOOL

Jill has been actively working with officers at Warwickshire County Council regarding bus services to Houlton school.

Stagecoach and WCC have confirmed that the Number 1 service from Coton Park, Eden Park, Brownsover will have one extended service to Houlton School in the mornings and a return journey starting at Houlton School in the afternoons, stopping on Boughton Road, near Crowthorns.

If there are lots of children on this route, then a second duplicate service can be arranged for the school times.

Tickets need to be purchased from Stagecoach.
