Conservatives

Summer 2021

THANK YOU TO ALL OUR RESIDENTS

I was humbled and honoured to be elected as your representative for Newbold and Brownsover in the recent Rugby Borough Council elections. I am already working across the ward.

I know I can lead the charge for improvements across Newbold and Brownsover at Rugby Borough Council.

As a Conservative councillor in a Conservative-led administration, I am looking forward to representing all residents, regardless of how you voted.

This is an important time as we come out of the pandemic and Rugby is

expanding. I have spent time getting to know all the key officers, as well as having numerous discussions with cabinet members and have already started lobbying for improvements.

If you have any issues in the area, please contact me either via email or phone:

wayne.rabin@rugby.gov.uk

Borough Councillor for Newbold-on-Avon and Brownsover, Wayne Rabin

TECHNOLOGY DRIVE HANDOVER

Developers St Modwen and Taylor Wimpey continue to finalise preparations for both Edison Place and Butterfield Gardens developments to be transferred to Rugby Borough and Warwickshire County Councils for open spaces and highways respectively.

Estate adoption requires a 12 month period where developers remain financially responsible for faults and repairs to parks, pavements, lighting and roads.

During this time, Councillor Wayne Rabin will continue to support residents and ensure that any ongoing maintenance such as grass-cutting, litter collections,

Wayne works with St Modwen on any issues

or damage to pavements and play areas are repaired promptly.

COFFEE WITH COPS

In association with Rugby Neighbourhood Watch and our Safer Neighbourhood Team at Warwickshire Police, Wayne is arranging local community engagement sessions.

The first few will be hosted in the Neighbourhood Watch trailer on Elliott's Field Retail Park, near Cafe Nero.

This gives you the opportunity to speak to the police and get updates.

Updates will be provided on Facebook Community group pages or you could email me, via the contact details overleaf.

MARK PAWSEY MP

According to the House of Commons Library 83% of people living in the Rugby constituency live more than a 15-minute drive from an A&E department.

This is due to the downgrading of the A&E department at the Hospital of St Cross in the late 1990s.

Since being elected as the town's MP in 2010, Mark has been firm that as Rugby grows, the case for the

restoration of A&E at St Cross has grown too.

Mark is now asking for the support of Rugby residents to build a case for the return of A&E in Rugby. He is hoping residents will complete his online survey on healthcare and emergency care at St Cross which can be found at

www.markpawsey.org.uk/form/stx

PHILIP SECCOMBE: POLICE AND CRIME COMMISSIONER

As the lockdown restrictions are lifted, the expectation is that the pressures on local police officers in Rugby will return to the levels seen prior to the pandemic.

In July I spent time meeting Mark Pawsey MP, teams in the Police Station and visiting Futures Unlocked and the On Track Youth Project in Brownsover.

I will be conducting more engagements in Rugby over the coming months and I look forward to hearing from you on how we can make your area safer in the future.

News SNIPPETS

COMMUNITY SPEEDWATCH

Technology Drive has seen an increase of heavy good vehicles in the last couple of years and, in some cases speeding of cars between Leicester Road and Mill Road.

The pedestrian crossing near the Black Path helps slow traffic down but the traffic speed is still an issue.

Community Speedwatch is now ready to re-start and Wayne will be arranging sessions with those residents who have volunteered.

If you would like to volunteer with these traffic monitoring sessions, please contact Wayne via the details below and he can then arrange training.
