Summer 2021

THANK YOU TO ALL OUR RESIDENTS

Newly elected Rugby Borough Councillor Wayne Rabin says "Adrian and I were humbled and honoured to be elected as your representatives for Newbold on Avon in the recent local elections. "

I know I can lead the charge for Improvements across Newbold and Brownsover at Rugby Borough Council and Adrian has never stopped in his work for Newbold on Avon at Warwickshire County Council.

As Conservative councillors in Conservative-led administrations, we know we can represent all our residents, and get changes and improvements.

This is an important time as

we come out of the pandemic.

I have spent time getting to know all the key officers, as well as having discussions with the cabinet members and have already started lobbying for improvements.

If you have any concerns or issues around the area, please get in touch with either of us via the contact details overleaf.

BROWNSOVER ROAD HGV ISSUES

Both Adrian and Wayne have worked together to get new signage installed and Wayne is in constant contact with local Transport Managers. This has resulted in a reduction in HGVs but we are still seeing drivers using the route.

Wayne is in contact with the Road Safety lead at our Police and Crime Commissioners office (PCC), who agreed that Brownsover Road situation merits discussion at a forum of the Warwickshire Road Safety

New signage is being put in place

Partnership to look at the possibility of trial ANPR camera technology for this road.

COFFEE WITH COPS

Wayne arranged the first of his monthly successful community engagement sessions at The Barley Mow, Main Street where residents had the opportunity to discuss local issues with PCs Paula Ketley, Guy Mountford and Inspector Sally Bunyard-Spiers.

These are a great opportunity to talk to the police about local issues and concerns, as well as talking to Wayne, as your local Borough Councillor.

Updates on future sessions will be provided on Wayne's Facebook page or you can email wayne.rabin@rugby.gov.uk

MARK PAWSEY MP - A&E SURVEY

According to the House of Commons Library 83% of people living in the Rugby constituency live more than a 15-minute drive from an A&E department.

This is due to the downgrading of the A&E department at the Hospital of St Cross in the late 1990s.

Since being elected as the town's MP in 2010, Mark has

been firm that as Rugby grows, the case for the restoration of A&E at St Cross has grown too.

Mark is now asking for the support of Rugby residents to build a case for the return of A&E in Rugby. He is hoping residents will complete his online survey on healthcare and emergency care at St Cross which can be found at

PHILIP SECCOMBE: POLICE AND CRIME COMMISSIONER

As the lockdown restrictions are lifted, the expectation is that the pressures on local police officers in Rugby will return to the levels seen prior to the pandemic.

In July I spent time meeting Mark Pawsey MP, teams in the Police Station and visiting Futures Unlocked and the On Track Youth Project in Brownsover.

I will be conducting more engagements in Rugby over the coming months and I look forward to hearing from you on how we can make your area safer in the future.

BROWNSOVER ROAD PAVEMENT RE-SURFACING

One of Wayne's first priorities as your Councillor has been to request County budget for the pavement re-surfacing of Brownsover Road, on the Pantolf Place side, which has seen significant deterioration over the years. Adrian and Wayne have now got this scheduled in.

AVON VALLEY SCHOOL VERGE RE-SURFACING

In addition, verge resurfacing is also now scheduled to happen for the pedestrian crossing adjacent to Avon Valley Secondary School – an area that has been treacherous in wet weather.
