

# Reporting Back

## from your local Conservative team in Wolston & the Lawfords

**INSIDE:  
Delivering  
on your priorities**

 **Conservatives**

### *Dear Resident*

A big THANK YOU to everyone who lives in the Wolston and the Lawfords area. I'm so grateful for the support and to be elected as your new Borough Councillor, replacing retiring Councillor Andrew Bearne. I aim to continue the excellent work that Andrew has done over the last 4 years and I'm under no illusion that his boots are big ones to fill. I hope I can give the role the justice and dedication that it deserves. Whether you voted for me or not, I am here to work for and represent you - the residents of Wolston and the Lawfords.

I'm passionate about our community and look forward to continue working with fellow Borough Councillors Derek Poole & Tim Willis, our County Councillor Heather Timms and the local Parish Councils in the area.

Please see overleaf details of a couple of things that I've been involved in pre and post election.

Please feel free to get in touch with me if you have any issues or concerns that you think I might be able to help with as I would love to hear from you and eagerly anticipating getting to know more local residents.

Yours,

*Councillor Simon Ward*

Simon is looking forward to working with his fellow councillors

Simon has been keen to get started as your local Councillor

# Always working hard

Delivering for the residents of Wolston & the Lawfords

## 1 Raising funds for Defibrillator Campaign

Simon is keen to get more accessible defibrillators

**Simon has been organising events** – he is passionate about more accessible defibrillators within the area and the borough as a whole. Working closely with the 'Our Jay Fundraising' Simon recently organised a charity football match to help raise awareness and also managed to raise funds for 2 more defibrillators. All with the help of the local community and local businesses. This is something he will continue to do as he is keen to locate more areas that have a shortage of accessible defibrillators. These are vital life saving pieces of equipment that should be as accessible as possible.

## 2 Mark Pawsey MP Campaigning for an A&E

Mark Pawsey MP campaigning for A&E at St Cross

**Campaign for A&E** – Rugby MP Mark Pawsey has called on the government and the health service to ensure that the needs of our fast-growing town are matched by an increase in services at the Hospital of St Cross, including the restoration of Accident & Emergency care.

Mark is seeking to secure a debate in Parliament on this pressing issue following the results of his recent survey showing overwhelming support for the restoration of A&E in the town.

## 3 Councillor helping out during bin strike

Simon has been gathering up rubbish from the local area

**Simon has been pro-active** – During the strikes he has been working on emptying some of the local bins, particularly the dog waste ones. With a pre-booked slot at the local tip Simon has been able to dispose of this immediately and all in aid of trying to help support the depleted crews who have been doing what they can to ensure as minimal a disruption to residents as possible.

## Is there an issue you need our help with?

Get in touch with us and we will be glad to get back to you.
